RIBBONS & AWARDS

Placement ribbons will be awarded for first thru fourth place in each class. Blue qualifying ribbons will be awarded to all dogs receiving a qualifying score. Ribbon will be provided for High in Trial each trial (Best of all classes in level per trial) and High Junior. New title ribbons are available.

INFORMATION:

Dogs that have passed their Odor Recognition Test (ORT) from the National Association of Canine Scent Work (NACSW) are not required to earn a (PT) for the odor(s) they have passed in NACSW. Proof of Odor Recognition Tests from the NACSW must be included with the entry form when entering any trial if the dog has not earned a PT or any other UKC title for odors that will be used in the trial.

A UKC registration number is required to participate in these trials. For information on UKC registrations go to www.ukcdogs.com

This event will be run in accordance with the official UKC Nosework rules that can be found at <http://www.ukcdogs.com/Web.nsf/WebPages/DogEvents/Nosework>

Refunds: Participants may request a full refund before the closing date. After the closing date no refunds will be issued. Substitution Policy: Once a team is notified they are entered, the handler may substitute another dog at the same level.

Crown Point, IN is on Chicago time - Central Standard Time

Entries must check in 15 minutes before class time. No training of any kind in the ring. Bring your own water, bowl, crate, chair, etc. **Dr. Seuss theme and potluck! Bring a dish...**

Viewing: There will be an area to watch the trials. If you are in the class, do not watch until after you have completed your run. Conversation is acceptable. Do not give the hide away though! No double handling. Do not bring dogs into the viewing area. Viewing is allowed for all runs.

Noise: Plan and train for naturally occurring dog trial noises, such as printers, doors opening, crated dogs, lively conversation and laughter, possible barking and background music. Sound sensitive teams will not be accommodated, as each team must be judged in a similar environment.

Reactivity: The entrance point will be quite busy, and not conducive to an extremely reactive dog. We are not able to change the environment for a specific dog, as the trial experience should be similar for all entrants. Expect 3 dogs in line for each of the two trial rings, in addition to dogs exiting the ring in the staging area.

There will be plenty of indoor crating for this trial. We will also have chairs and tables for everyone.

ACCOMMODATIONS: Call for current pet policy. (14-18 miles)
